

ONLINE ASSIGNMENT CRITERIA

1. Online Assignments of Level I (Year 1) and Level II (Year 2) Courses (Semester 1, 2, 3 and 4).

Please note that the marking procedure of the “Online Assignments” of each course in the VLE will be changed from 2018 onwards.

According to the new criteria, you will have to obtain,

- at least **40%** from each assignment in a GPA course (i.e., Assignment 1 **AND** Assignment 2 of a particular GPA course in one academic year) to successfully **PASS** the online assignment component of that course.
- at least **50%** from each assignment in a non-GPA course (i.e., Assignment 1 **AND** Assignment 2 of an Enhancement course in one academic year) to successfully **PASS** the online assignment component of that course.

Successful completion of this online assignment component of each course (GPA or non-GPA) is a **compulsory requirement to obtain the Diploma/Higher Diploma** at the end of the year.

If you have already passed the online assignment component of a course/mapping course in a previous year, and if you are going to complete the written examination in another year, then you do not have to repeat the online assignment component.

However, even if you have passed the written examination but failed the online assignment component of a course (failing either the online assignment 1 or 2) in a previous year, it is your responsibility to **request VLE access from the EDC** by filling out the required (Online/Google) forms properly **when you register for an academic year**, to attempt the online assignments again and to receive notifications from the “Announcements” forum of the relevant course without waiting until the deadlines are published.

Queries about not getting VLE access for repeat courses (such as IT2405, IT3205 and IT3305) should be directed to aredc@ucsc.cmb.ac.lk. Queries about any other VLE access issues of the requested courses should be directed to admin@vle.bit.lk.

2. Online Assessments of Enhancement Courses (Semester 1, 2, 3, 5 and 6)

With effect from Academic Year 2022, Enhancement (EN) courses will consist of **ONLY** a written examination. Previously used Online Assessment component will no longer be a part of the EN examination criteria.

If you have any queries regarding the online assignment criteria, please post a message in the **“Online Examination Discussion”** forum of the relevant online course in the VLE (vle.bit.lk).
