

**RENEWAL OF REGISTRATION FOR LEVEL II (YEAR 2) FOR 2020 INTAKE
OF THE BIT DEGREE PROGRAMME**

Students who have registered in the BIT degree program at Level I in the academic year 2020 and satisfied the GPA requirement to progress to Level II can now register for Level II of the academic year 2021 (Refer the attachment for the list of eligible students).

However, if a student who is eligible for Level II prefers to register only for Level I to complete the required courses and/or to earn the DIT qualification, he or she can do so by selecting the "Register for Year 1" option in the online portal.

Please note that this option is **only** applicable for the **students registered in the academic year 2020** and you have to complete the Level I courses by the **end of the academic year 2022**. If you fail to complete the Level I in the stipulated time period, **your candidature will be cancelled**.
